

ENSE 405
Project Check-In

**Community of
Meal Planners Forums**

MVP 1 Progress

Kelly Holtzman

For sprint ending March 10, 2021

Community of Meal Planners Forums

Supporting UNDP Goal 12: Sustainable Consumption

A forum application to support community discussion for meal planning, sustainable practices, development, and education.

Will cater to:

- Meal plan software developers, companies
- Meal plan consumers (*) and producers
- People interested in sustainable practices
- Curious people

Aiming for Community Cultivation orientation

Project Status and Description and Project Issues (No Changes)

The project status is **green**.

There are no particular issues that need addressing.

Due to semester workload, this could change quickly.

**Work as per project scope for next MVP*

Project Reflection

Open discussion for the meeting

- ❑ Do you feel "on track"?
- ❑ What progress do you particularly feel good about?
- ❑ What barriers do you feel are impediment to success?
- ❑ What help do you require to move positively forward?
- ❑ What questions or concerns do you have?

Questions? Suggestions?
